GREECE • Mykonos

Mykonos attracts visitors who love the nightlife and the disco sound. It is the jumping-off point for the sacred island of Delos, but the main reason people come here is to pose and party into the wee hours. It is a charming mix of chic boutiques and whiter-than-white houses decked with bougainvillea and geraniums. The island's best beaches are on the south coast-try the friendly Paradise, Super Paradise, Agrari and Elia.

Santorini is regarded by many as the most spectacular of the Greek islands. Thousands come to marvel at its sea-filled caldera, a vestige of what was probably the world's largest volcanic eruption. Its landscapes of blue-domed roofs, dazzling white walls and black-sand beaches contrast the charming with the unearthly.
