Departure to the western part of the island, where the mountains and the Lagoa das Sete Cidades (Lake of the Seven Cities) are located. From Vista do Rei look-out you will enjoy a panoramic view of the lake, asleep inside a huge volcanic crater. Descent to the village of Sete Cidades, a faithful image of the rural life of the Azores. Overlooking a natural bay, the city of Ponta Delgada has a rich history and architectural heritage. The Pontas da Cidade (City Gates) are the perfect starting point for exploring the city. Angra is an ideal starting point for exploring the coastal area of the island. Mykonos attracts visitors who love the nightlife and the disco sound. It is the jumping-off point for the sacred island of Delos, but the main reason people come here is to pose and party into the wee hours. It is a charming mix of chic boutiques and whiter-than-white houses decked with bougainvillea and geraniums. The island's best beaches are on the south coast-try the friendly Paradise, Super Paradise, Agrari and Elia.
